To the evaluator: The person named above is applying to the School of Occupational Therapy at Pacific University and has requested that your evaluation be included as part of the information on which we will base our admission decision. Please assist us in our evaluation of this applicant by responding frankly to the questions on this form. If you do not know the applicant well, please return the form to the applicant so that it may be given to another evaluator. An additional typewritten letter of evaluation is optional and not required for completion of this application.

The admission procedure of the School of Occupational Therapy requires the applicant to gather the letters of evaluation (and other documents) and submit a complete set of documents with the application. The advantage of this system is that the applicant knows the application is complete when it is submitted. To comply with FERPA and to ensure a candid response from evaluators, the Office of Admissions will remove from the applicant's file the completed letters of evaluation of all successful applicants prior to the student entering Pacific University. Thus, your comments will not reach the applicant.

Respond candidly to the following questions.

1. Briefly describe your relationship to this candidate including length of acquaintance.
