

## Voyage Scholarship Application

All new students are offered the opportunity to apply for additional savings on Voyage adventures in the form of a post-payment rebate. We use the same family contribution score used for Academic scholarship applications compared with the overall cost to participate in Voyages to determine awards. Three \$100.00 rebates are offered annually. A new student should apply to their Voyage of interest separately in order to be sure the awarding process does not interfere with registration. Please make full payment for the Voyage and rebates will be made within the first week of arrival to campus.
